

So you want to sell your boat?

You can advertise, deal with all the enquiries and negotiate and administer the sale yourself, or you can employ the services of a boat broker. Initially the first option may seem the cheapest because the broker will charge a commission. However, you will still have to pay for some sort of advertising and are unlikely to get the passing trade or interest a broker will so the sale may well drag on.

Most sellers choose to use a broker for both their expertise and additional services they can offer potential purchasers, and of course to remove the day to day responsibility and time consuming aspect of answering enquiries and administering the sale.

Why choose ABC?

ABC Boat Sales which is part of ABC Leisure Group which has been building and operating a hire fleet and providing full marina services to canal users for over 40 years, with a thorough experience of everything to do with canal boats and boating holidays. As a boat broker, ABC can offer you 15 marinas and the help of our experienced staff to help you sell your boat. ABC Boat Sales sell on average more than a boat a week, every week!

Major Craft Conversion Undertaken Since 18 January 2017 (see clause 2.1.4) YES NO Relating to: _____

1. Central/Sole Listing Agreement

1.1. This is a "Central/Sole Agency Listing Agreement", the appointment shall be a sole and exclusive appointment of the Broker and the Owner agrees not to sell or authorise any other broker to sell or list the Vessel.

2. Declarations and Undertakings of the Owner

2.1. The Owner declares and warrants to the Broker that:

2.1.1. The proposed sale of the Vessel is / is not* related to the Owners business, trade or profession and that VAT is / is not* chargeable on the selling price.

*Delete as appropriate

2.1.2. The factual matters set out in the description of the Vessel in this Agreement and in the remainder of the supplied details are true, accurate and complete;

2.1.3. He/she is the sole legal and beneficial Owner of the Vessel and absolutely entitled to transfer title to the Vessel free and clear of any liens, charges, claims, mortgages and encumbrances of any kind (subject only to the agreement of any joint Owner, mortgagee or financier whose details and identity have been enclosed above or over the page).

2.1.4. The Vessel has not undergone a major craft conversion (as defined within the Recreational Craft Regulations 2017) since the 18th January 2017.

2.2. The Owner acknowledges that the Broker is entitled to, and will rely solely on the accuracy of the description of the Vessel, the declarations above and the information provided by the Owner to the Broker from time to time in relation to the Vessel.

2.3. The Owner agrees and undertakes:

2.3.1. following signature of this Agreement, to provide the Broker with specifications for the Vessel, an inventory of the equipment to be included in the sale and copies of all relevant registration and other certificates relating to it (confirming which originals he/she holds), together with photographs of the Vessel. Promptly thereafter and at the Broker's request, the Owner shall provide to the Broker any further information relating to the Vessel and its ownership which the Broker may reasonably request;

2.3.2. to disclose promptly to the Broker in writing details of any and all defects or deficiencies relating to the Vessel (or the inventory to be sold with the Vessel) of which he/she is aware (now or in the future);

2.3.3. to supply the Broker with the names and details of all prospective purchasers who contact the Owner directly in relation to the sale of the Vessel;

2.3.4. to be responsible for all cleaning, maintenance, berthing, storage and security of the Vessel pending sale;

2.3.5. to insure the Vessel against usual marine perils and third party risks and to ensure that the Vessel remains insured until completion of a sale. Such insurance shall cover all viewing and sale arrangements, including slipping for survey and sea trials;

2.3.6. to indemnify and hold harmless the Broker against any claim or liability (including the cost of defending any such claim or resisting any such liability as may be alleged) from any third party should any of the above declarations or information provided by or on behalf of the Owner prove to be incorrect or misleading;

2.3.7. to sell the Vessel to any willing buyer at the Asking Price or, following negotiations, at such other price as may be agreed with the Owner; and

2.3.8. to negotiate reasonably through the Broker with any willing buyer introduced by the Broker and to enter into an agreement for the sale of the Vessel based on British Marine's standard terms or such other terms as may be agreed with the purchaser.

3. Broker's Obligations

3.1. The Broker agrees:

3.1.1. to seek prospective purchasers for the Vessel through direct promotion of the Vessel;

3.1.2. to prepare information describing the Vessel and to publish this information in the relevant markets;

3.1.3. to submit promptly to the Owner every offer received for the Vessel, regardless of whether such offer shall be at the Asking Price or at a level known by the Broker to be unacceptable to the Owner;

3.1.4. to qualify any particulars issued by it in relation to the Vessel with a disclaimer in the following or similar form:-

"In this transaction we are acting as Brokers only. We are informed that this sale [is]/[is not] related to the Owner's business, trade or profession. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed but are intended as a guide only and do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate to have the vessel fully surveyed and inspected."*

3.1.5. to maintain professional indemnity cover for itself and employees and agents in respect of their potential liability to the Owner in respect of any breach of this Agreement or any other act, omission or breach of duty giving rise to loss.

4. Brokerage Commission

4.1. Any sale, gift, charter or disposal of the Vessel during the term of the Agreement shall entitle the Broker to receive the Agreed Commission, whether or not the new owner or person entitled to the Vessel or use of her as a result thereof was introduced by the Broker.

4.2. If a sale of the Vessel is completed within 12 months after the termination of this Agreement to a party introduced to the Owner by the Broker during the period of this agreement the Broker shall be entitled to the Agreed Commission on the actual price paid by the purchaser.

4.3. Incomplete sales – In relation to this agreement if:

4.3.1. a prospective purchaser has entered into a Sale and Purchase Agreement in relation to the Vessel but subsequently, in breach of that agreement, fails to complete the purchase in circumstances in which any deposit which he has paid becomes forfeit; or

4.3.2. a conditional sale of the Vessel does not complete following survey solely because the Owner is unwilling to abate the price for defects in the Vessel or deficiencies in the inventory not previously disclosed to the Broker, and which are revealed by survey and documented by a qualified surveyor

the Broker shall nevertheless be entitled to be paid one half (1/2) of the Agreed Commission on the Asking Price.

4.4. Owner's Default - if the Owner has entered into a Sale and Purchase Agreement in relation to the Vessel but subsequently, in breach of that agreement, fails to complete the purchase in circumstances in which the purchaser is entitled to the return of all or substantially all of the deposit, the Owner shall pay the Broker the Agreed Commission in full on the Asking Price.

5. Commission Rate

5.1. The rate of Commission to be paid by the Owner to the Broker shall be the Agreed Commission which shall, unless otherwise indicated, be calculated on the net sale price of the Vessel.

5.2. In addition, and where applicable, the Broker shall be entitled to charge and recover VAT on the Agreed Commission, at the rate then prevailing.

6. Client Monies and Proceeds of Sale

6.1 The Broker shall receive and hold any deposits and the balance of sale proceeds in the Client Trust Account in accordance with the terms of this Agreement and any related Sale and Purchase Agreement. The Client Trust Account shall be designated as such and at all times it shall be kept separate from the Broker's own monies. The Broker shall keep proper books of account in respect of all such sums received. The basis and capacity in which such funds are held shall be determined in accordance with the Sale and Purchase Agreement under which they have been paid and the terms of this Agreement.

6.2 The Owner hereby irrevocably authorises and instructs the Broker promptly to distribute the net proceeds of any sale in accordance with the registered ownership of the Vessel and the terms of any Sale and Purchase Agreement.

6.3 The Owner further irrevocably authorises and instructs the Broker to settle any other outstanding charges relating to the Vessel which are for the account of the Owner (Including but not limited to any mooring fees due up to and including the date of completion).

7. Retention by Broker of Commission and outstanding charges

- 7.1 On completion of the sale of the Vessel, the Broker may deduct the Agreed Commission and VAT payable on the Agreed Commission together with any other outstanding charges relating to the sale of the Vessel which are for the account of the Owner, from the proceeds of the sale.
- 7.2 When the Broker is entitled to one half of the Agreed Commission as a result of an incomplete sale, the Broker may deduct that Commission and VAT together with any other outstanding charges relating to the sale of the Vessel which are for the account of the Owner, from any deposit forfeited by the purchaser.

8. Notifications

- 8.1 The Owner undertakes:
 - 8.1.1 to advise the Broker of any changes in the Asking Price or location of the Vessel;
 - 8.1.2 that the Vessel will not be offered at a lower price elsewhere; and
 - 8.1.3 to notify the Broker immediately if, whether in breach of this Agreement or otherwise, the Vessel is withdrawn from sale, or sold elsewhere, and in the latter case, to provide the Broker with written confirmation of the name and address of the purchaser.

9. Care, Custody and Control of the Vessel

- 9.1 Responsibility for the care, custody and control of the Vessel remains entirely with the Owner. Although the Broker may recommend storage, maintenance, and other providers of service, the final decision to employ such service providers remains with the Owner. The Broker shall not be held responsible for any damages suffered by the Owner as a result of employing such service providers.

10. Access to the Vessel on Remote Sales

- 10.1 The Owner will give written authority (copied to the Broker) to the relevant mooring or marina operator to permit the Broker to access the Vessel on reasonable notice at any time and shall make keys available for this purpose. Where appropriate this authority may be given in the Broker's standard form.

11. Commencement of Services

- 11.1 Where the Owner is a consumer and this Agreement is an off-premises contract or distance contract, as defined in the Consumer Contract (Information, Cancellation and Additional Charges) Regulations 2013:-
 - 11.1.1 the Owner may be able to cancel this contract within fourteen (14) days of the date of the Agreement, without giving any reason, by informing the Broker of the decision to cancel it by a clear written statement to that effect; and
 - 11.1.2 unless expressly instructed by the Owner to do so, the Broker may not commence its service until fourteen (14) days after the date of this Agreement; and
 - 11.1.3 if the Owner expressly instructs the Broker to begin work and the Owner subsequently exercises the right under Clause 11.1.1 to cancel this Agreement, the Owner will pay the Broker a proportionate amount of the Agreed Commission to reflect the services the Broker has performed prior to notification of cancellation.

12. Minimum Period and termination by notice

- 12.1 This Agreement shall be for the Minimum Period of Appointment of six (6) months (unless, during this period, the Vessel is sold). Thereafter, either Party may terminate this Agreement by giving not less than thirty (30) days' notice in writing to the other Party.
- 12.2 Termination of this Agreement shall not affect rights then accrued, including but without limitation, the Broker's right under a Central/Sole Listing Agreement to be paid the Agreed Commission in accordance with Clause 4.

13. Termination on insolvency of either Party

- 13.1 This Agreement shall terminate automatically if either Party becomes insolvent or undergoes any formal insolvency process or compounds with his/her creditors.

14. Notices

- 14.1 Any notice to be served under this Agreement on either Party shall be in writing and shall be sufficiently served if delivered personally or posted by recorded delivery to the address set out in this Agreement (unless the Party has by written notice to the other Party substituted a different address in England as the notice address). Any posted notice shall be deemed to have been received on the third business day after the time of posting.
- 14.2 Notices may also be served by e-mail or fax, in which case they shall be deemed received upon despatch if despatch was on a business day in the United Kingdom and within 0900-1700 hours UTC and there was no delivery failure notice. If despatched before 0900 hours UTC on a business day, the notice shall be deemed received at 0900 hours UTC that day. If despatched after 1700 hours UTC on a business day or on any non-business day, the notice shall be deemed received at 0900 hours UTC on the next business day.

15. Berthing/Mooring/Storage

- 15.1 This Agreement does not replace any berthing, mooring or storage agreement(s) which may apply to the Vessel.

16. Third Party Rights

- 16.1 A person who is not a Party to this Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

17. Interpretation

- 17.1 The word "Owner" shall include joint Owners and any person acting with the written authority of the Owner(s) of the Vessel giving instructions for sale.
- 17.2 If any provision of this Agreement is deemed for any reason to be invalid, void or deleted, the Agreement shall nonetheless remain in full force and effect as if such provision had not originally been included. In such circumstances, the Parties shall negotiate in good faith in order to agree the terms of a mutually acceptable and satisfactory alternative provision in place of the invalid, void or deleted provision. If such agreement cannot be reached, the Agreement shall remain in full force and effect without such provisions.

18. Entire Agreement

- 18.1 This Agreement constitutes the entire agreement between the Parties and supersedes any previous arrangement, understanding or agreement between the Parties relating to the subject matter of the Agreement.
- 18.2 Each Party acknowledges that, in entering into the Agreement it does not rely on any statement, representation, assurance or warranty of any person (whether a Party to the Agreement or not) other than as expressly set out in the Agreement.
- 18.3 Nothing in this Clause 18 shall limit or exclude any liability for fraud.
- 18.4 Any alterations to this Agreement must be in writing and signed by the Parties.
- 18.5 This Agreement may be executed by the Parties in any number of counterparts, each of which shall be deemed to be an original but all of which taken together shall constitute one and the same instrument and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Party.

19. Law and Jurisdiction

- 19.1 This Agreement and any non-contractual obligations arising out of, or in connection with, this Agreement shall be governed by and construed in accordance with English law.
- 19.2 Subject to Clause 20 below, each of the Parties irrevocably agrees that any and every dispute (and any non-contractual obligations, as aforesaid) arising out of or in connection with this Agreement shall be subject to the non-exclusive jurisdiction of the English courts;

20. Dispute Resolution Scheme

- 20.1 Disputes arising out of or in connection with this Agreement, when they cannot be resolved by negotiation, may, with the written agreement of the Parties, first be submitted to mediation under British Marine's ("BM") Dispute Resolution Scheme. Details of the Scheme are available to current BM members on request from BM and/or on BM's member website.

The Broker, who is a member of British Marine, by signing this Agreement, irrevocably and unconditionally undertakes to hold and apply any deposit(s), sale proceeds and any other sum received in accordance with the terms of this Agreement and any Sale and Purchase Agreement subsequently entered into in relation to the Vessel.
